

Good Morning CEE

PRACTICAL LESSONS LEARNED FROM
RECENT TAX AUDITS AND COURT CASES
IN CEE

Tuesday, 8 April 2025
9.00 - 11.00 a.m. CET

Join us for a session on „**Practical lessons learned from recent tax audits and court cases in CEE**“.
We will explore the latest tax audit trends, major tax risks and audit triggers cross Central and Eastern Europe based on tax authority statistics, our practical experience and real cases. We will focus on VAT, corporate income tax and transfer pricing areas where businesses face the highest scrutiny.

Our tax experts from **Austria, Czech Republic, Slovakia, Hungary, Slovenia, Croatia and Serbia** will highlight the most common tax audit triggers and major tax assessment reasons based on tax authority statistics, our practical experience and real cases. We will also discuss best practices in tax compliance and documentation to help businesses mitigate tax risks.
